Most departments and offices maintain service hours that are more limited than building hours. For detailed information about service hours check our libraries and departments page.
COVID-19 Updates

Dean’s Message
Read and watch Dean Dewey’s message regarding the University Libraries’ reopening for the fall 2020 semester.

Access to Online Resources
The library offers a number of remote resources for our users. Our goal is to provide you with the resources, expertise, and services you need to do your work, with as little disruption as possible.

Changes to Operations
Public access to Pattee/Paterno
Pattee/Paterno will be open to the public on a reduced schedule, with access limited to the first floors of Pattee/Paterno and the ground floor of Pattee. For hours and availability at other library locations (campuses and at University Park), visit Libraries and Departments.

Reference and Assistance
Librarians and staff at all campuses are available for remote reference, consultation, and assistance. Please contact us via Ask a Librarian.

Note: The Libraries has created a poster creation guide and offers one-on-one consultations using Microsoft Bookings for students. This replaces the Designing and Creating Effective Research Posters workshop that was cancelled this spring along with other undergraduate workshops.

Renewing and Returning Materials
Due dates for semester loans have been extended through January 18, 2021. Due dates for shorter-term DVD, equipment and PALCI loans have been extended through Sept. 2, 2020. Please check My Library Account for your updated due dates.

Please return Books and Interlibrary Loan materials to any Penn State University Libraries’ book return. At University Park, the Pattee/Paterno Library book return is located at the East entrance on Curtin Road. Borrowers at other campus locations should use Ask a Librarian to see how to return materials at their respective campus. Please note that all returns will be quarantined for four days before removing from your account.

Curb side pickup: Some of our collections are available with our curb side pickup service.

Media Technology and Support Services: Equipment rental through Media and Technology Support Services (MTSS) is available by reservation only, with one patron pickup scheduled every 15 minutes. Reservations require a 30 minute lead time.

Equipment returns must be made by 7:45 p.m. on the return date. To make a return, simply ring the buzzer on the front door and staff will assist you. If there is a line, use the side door, per the directional signage.

Visit the MTSS web page to schedule your equipment reservation. Direct inquiries and requests for assistance by sending email to Mediatechsupport@psu.edu or by calling 814-865-5400.
